SLEEPER MECHANISMS & MATTRESS SPECIFICATIONS

Mechanism

Double Locking TV Headrest - provides added comfort while lounging or watching TV by raising the upper body.

All Tubular Frame Construction & Dual One Piece Tubular Legs - provide enhanced stability and strength by allowing the unit to be operated from the center and side position.

Extended Deck Coverage - the polypropylene decking is designed to extend beyond the metal frame and linkage parts eliminating any metal to upholstery contact.

Seat Support Wires - provides support while sleeping, plus adding durability to the overall unit. Support wires also give the quality feel of stationary seating.

Mattress

Standard with 5" Innerspring Mattress. Queen size mattress 60" x 73" - standard in Q1, QL, QR. Full size mattresses 54" x 73" - standard in R1. Single mattress 32" x 72" - standard in T1.

Securely locked cover insulation - unique tufting locks the cover and cushioning material into place, prevents it from bunching, making it easier to fold and store.

Longer life and more support - inner springs are totally oven tempered, giving the units "memory". The units have resiliency which provides longer lasting performance.

Luxurious deep comfort - cover is quilted to a thick layer of Kingsdown quality foam.

Reduced coil and edge feel - fully enclosed spring unit is bonded with Flexatron insulation for permanent shaping, hugging the edges so it can never shift, lump or bunch.

Allergy free, Odor-free, Mildew resistant - Flexatron is a blend of all man made fibers, thermally bonded at over 400° F, providing a hypoallergenic padding material that will not host mold or mildew.

Air Dream Mattress

Air over coil technology creates a sleep surface with the comfort and support that rivals premium mattresses.

Operates with a lightweight, convenient, handheld, quick fill electric pump (included). Air Dream mattress inflates in 45 seconds, deflates in 30 seconds.

Available at an upcharge on Q1, QL, QR (Queen Sleepers) & R1 (Full Sleepers). Not available on T1.

CUSHIONS

At Precedent, we're all about comfort, and nothing effects the comfort of your sofa or chair like the cushion. Each type of cushion is created with your comfort in mind. We select a standard cushion for each style, but optional cushion types are available on many styles. Please refer to your price list for available options.

UD Seat Cushion (UD) - A combination of premium urethane foam with a soft cell foam layer applied to the top and bottom, then sewn into a ticking.

Comfort Firm Seat (CFS) - The comfort firm cushion is engineered the same as the Luxury Spring Seat, except stronger springs and firmer foam are utilized to give a firmer seat.

Luxury Spring Seat (LSS) - A cushion that features a Marshall spring unit which is encased in a high resiliency urethane core. Then a soft-cell foam layer is applied to the top and bottom and is sewn into a ticking.

Plush Down Seat Cushion (PDS) This cushion features a combination of premium high resiliency urethane foam with a soft cell foam layer applied to the top and bottom. The foam core is then encased in a jacket of 100% blended feathers and down.

Ultra Lux Seat Cushion (ULS) - A cushion that features a Marshall spring unit which is encased in high resiliency foam. Then a soft-cell foam layer is applied to the top and bottom and it is encased in a jacket of 100% blended feathers and down.
